

2023 Texas Pinball Festival Vendor and Advertising Opportunities

Vendor Space: Starting at \$500

Each single vendor space includes 2 vendor passes. Double space includes 4 passes. Custom spaces will include agreed space and number of passes. *There are no discounts if fewer passes are needed (invite a friend).*

Outer Foyer space – 8' wide x 6' deep, single 6' table, two chairs: \$500 (add \$25 for electric)

Main Hall is SOLD OUT

If you need more than a double space or a custom size space, contact us for a quote. Additional tables are just \$10 each. Table allocations will be strictly limited to agreed number (we ran out in 2022).

Additional Vendor passes can also be purchased for \$100 each. TPF reserves the right to limit the number of Vendor passes purchased based on vendor booth size and need.

NEW for 2023: All games exhibited in exchange for a weekend pass (vendor or exhibitor) must be set to free play and available for attendees to play all weekend. Exhibitor games are subject to an early removal fee of \$100 if the game leaves the hall prior to the end of the show (and may be required to wait until early or late hours based on hall occupancy for safety concerns). Vendor and Exhibitor access (wristband color) are the same. **Please register your free pass games using the online TPF Exhibitor portal and note your company name on the registration.** If your registered games will not fit inside your booth area, they will be placed in the exhibitor rows as close to you as possible. If the title of the game(s) changes, just let us know or we can fix it during show set up.

All vendors are listed on the TPF website vendor page. Floor location is not guaranteed, but we will do our best to accommodate requests. Booth sharing or subletting is prohibited w/o prior approval. **Vendors are responsible for ensuring their space is adequate to contain their display and not encroach on neighboring vendors or isles.**
